Hak C. Agravante

Bachelor of Science in Information Technology

Work experience

2025 - 2026 | SPES

Special Program for Employment of Student

During my SPES with the local government, I was assigned to the MDRRMO-IOC, and ICT departments, where I provided technical support and assisted in operational workflows. My role included monitoring CCTV feeds at the MDRRMO-IOC to assist in incident tracking and providing technical support for office systems. I also encoding a documents, assisted in software issues. Through my experience, I gained practical knowledge in managing technical infrastructure within a fast-paced public service environment
